Hi, Trish.

Thanks so much for getting back to me about the prepayment issue for the Peaks Resort in Telluride! For this trip I will be driving to Silverton with Liz Fagen in a GOV for a site visit (Upper Animas). We will stay one night in Silverton (5/26/15). We will then drive to Telluride and spend three nights at the Peaks Resort and Spa (5/27, 5/28, 5/29). We will drive back to Denver on 5/30.

Could you prepare a TA for me using the following information?

Dates: 5/26/15 – 5/30/15

Destination: Silverton 5/26-27/15, Telluride 5/27-30/15

Purpose: Site visit in Silverton (Upper Animas). San Juan Mining and Reclamation Conference in Telluride

Transportation: GOV (Liz Fagen)

Lodging:

Triangle Hotel 5/26 (Silverton), \$55/night

The Peaks Resort and Spa 5/27, 5/28 and 5/29, \$150/night (per diem is \$136/night, but we are staying here since it is the location of the conference)

Site Code: Silverton only - 2015 T 08C 303DD2 085MCR00

I will wait until the TA is prepared before making my room reservations in Telluride.

Thanks!
